Carers Milton Keynes

Report of the Trustees for the Year Ended 31 March 2019

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2019. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

In 2017 Carers Milton Keynes amended its charitable objects to enable us to support people with a disability arising from age, sickness or physical or mental disability who are dependent on others for their care as well as carers. The amended objectives also enable us to work in other geographic areas in addition to Milton Keynes. We still view our principal aim as the support of carers in the area at present covered by Milton Keynes Council and to promote their interests and advance public education regarding carers in that area. A carer being defined as someone who, without payment other than relevant benefits and allowances, provides help and support to a partner, child, relative, friend or neighbour who could not manage without their help. This could be due to age, physical or mental illness, addiction or disability.

Public benefit

The Trustees have paid due regard to the Charity Commission guidance on Section 4 of the Charities Act 2006 regarding public benefit.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The principal activity of Carers Milton Keynes is the support of unpaid family carers of all ages in Milton Keynes. This is carried out through a Carers Helpline and website, practical support including multi-lingual counselling, arrangement of respite care, therapies, carer training and support groups to enable carers to share common knowledge and concerns. Other activities are provided for the specific needs of young carers. All of our activities are provided without charge.

The charity continues to develop and improve all these services through innovation, staff training and increased experience, and IT and communications support. Ensuring all family carers have the opportunity to receive support is of prime importance but we are aware that we have only a minority of the many carers of all ages in Milton Keynes registered for our services. An ongoing key objective is to increase the number of carers who have access to the support we offer.

The majority of our work is funded under carers support contracts with Milton Keynes Council. New contracts were approved for the three years commencing in April 2014, with an option to extend for a further 2 years. We have a strategic aim to develop other funding streams through the local community, grant-making trusts etc in order to offer new or enhanced services beyond contractual requirements.

The trustees would like to congratulate the management and staff on another year of significant achievement and progress. We would also like to thank all donors who give such welcome financial support. We thank in particular Milton Keynes Council with whom we continue to work closely to ensure that services to family carers remain among the best available in the UK.

FINANCIAL REVIEW

Financial summary and Reserves policy

Summary

Total income received has remained unchanged for the year from 2017/18. The surplus reserves carried forward at the year end of £104,524 reflects the fact that fundraising activities have resulted in grants and donations for projects that are to commence after 1 April 2019. Total grants of £31,400 have been designated by the Trustees for this purpose.

Reserves Policy

The Trustees have determined that it is prudent to maintain a reserve fund in order to continue charitable activities in the event of a contract not being renewed and/or other funding being unobtainable. This fund needs to be sufficient to complete projects that have been started or committed, and allow the charity's activities to be wound down to a sustainable level for the future. The Trustees estimate that unrestricted funds of between two and four months of total expenditure is the appropriate level. At year end March 2019 this means a reserve fund of between £75,000 and £150,000. Actual unrestricted funds were £104,524, but after adjustment for the designated funds above this would reduce to £73,124.

Going concern

Most of the charity's income comes from a contract with Milton Keynes Council which runs until 31st October 2019. Reserves are within the trustees' policy level to ensure that we can complete project commitments and we do not anticipate that there will be a reduction in local authority investment in carers support because of the savings that well supported carers bring to adult and children's social care. However, if there were to be a reduction in Council contract funding we would reduce the charity's activities to a level that could be sustained with other resources on a project by project basis through local and grant-making fundraising. The projects would be targeted at areas not covered by Council-funded activities.

FUTURE PLANS

We will continue the process of diversifying our income sources to make us less financially reliant on contracts with the Local Authority and to develop new services for carers in response to their needs. The work that we have done and continue to do means that our income from charitable trusts and the local community has grown considerably and we are confident that this trend will continue in 2019/20.

We plan to raise more money to develop our successful young carers school programme and to be able to provide more support to parent carers. We also plan to grow our carers support service in Milton Keynes University Hospital.

The new developments in primary care services offer an opportunity to ensure that more carers are supported. Support which we can offer ourselves directly and also the training we provide to health professionals so that they provide improved services to their patients who are carers. To that end we will continue to promote our Investors in Carers GP Standard, a quality mark for carers support in GP Practices. This has already resulted in huge growth in the number of carers who are referred to us by GP Practices a trend we expect to continue.

At the time of writing we are waiting to hear whether we have been successful in our bid to become a Strategic Partner for carers support with Milton Keynes Council and Milton Keynes Clinical Commissioning Group. If we are successful in this it will provide a huge opportunity to influence the future shape of carers support in the Borough as well as making us financially secure for the next five years.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its Memorandum and Articles of Association, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Organisational structure

The directors of Carers Milton Keynes, company limited by guarantee, are the trustees of the charity. All trustees give their time voluntarily and received no benefit from the charity during the year. The directors/trustees meet 8 times each year.

Due to the nature of the work it is our aim to ensure that there will always be trustees with personal experience as carers. In appointing new trustees we have a defined skill mix established for the Board and we seek to appoint those with specific expertise to add to or replace the skill coverage.

Induction and training of new trustees

Most trustees are familiar with the work of the charity before they join the Board but potential new trustees are invited to attend two Board meetings before they are confirmed in the role. They are also invited to familiarisation sessions with key members of staff prior to appointment. New trustees receive key charity documents including the Memorandum and Articles, financial reports, budgets and strategic plans on appointment.

Wider network

The Chief Executive, Stephen Archibald, is responsible for ensuring that the charity delivers its services within the strategic and finance framework agreed by the trustees. The service managers are responsible for the day-to-day operation of services and manage the individual project funds.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Carers Milton Keynes for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by order of the board of trustees on*3rd July 2019*..... and signed on its behalf by:

Report of the Independent Auditors to the Trustees of
Carers Milton Keynes

Opinion

We have audited the financial statements of Carers Milton Keynes (the 'charitable company') for the year ended 31 March 2019 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Report of the Independent Auditors to the Trustees of
Carers Milton Keynes

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements ; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements
for the Year Ended 31 March 2019

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 20% on cost
Computer equipment	- 50% on reducing balance

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
